

It pays

to register
your Bearing Checker!

Please take a moment to register your instrument at www.bearingchecker.com! As a registered customer, you will get the most out of your Bearing Checker and enjoy benefits such as:

- **Technical support**
SPM provides technical support to registered customers via distributors and agents all over the world on using and troubleshooting the Bearing Checker.
- **Notification of upgrades and special offers**
Registered customers will receive information regarding software upgrades and special offers as soon as they become available.
- **Proof of ownership**
Registration serves as proof of ownership for any future warranty issues. Also, if your original receipt, or your instrument, is destroyed, lost or stolen, your product details (serial number, date of purchase etc) kept in our records will help back up your insurance claims.

One-Year Limited Warranty

One (1) year limited warranty from date of purchase against defects in workmanship or materials. Warranty is void if instrument is altered or repaired by unauthorized service center, or if warranty seal is broken. Warranty does not apply on any instrument subjected to misuse or damaged by leaking batteries. Warranty is for instrument only and does not cover batteries or cables. SPM reserves the right to determine disposition as to repair or replacement of goods.

Should the instrument require any service whether under warranty or not, you should contact SPM Instrument or your local distributor for instructions before returning the goods.
